CORNERSTONES AT ST. JOSEPH ARE BLESSED

Rt. Rev. Joseph P. O'Donnell, S.T.L., rector of Mount St. Mary's Seminary, Emmitsburg, presided at ceremonies Sunday afternoon at St. Joseph College during which the cornerstones of Rosary Hall, new dormitory at St. Joseph College, Emmitsburg, and the new \$150,000 Student Center were placed and blessed in conjunction with Valley Home Weekend on the Emmitsburg campus.

Following the academic procession during which the student body in cap and gown sang "Praise Be To Thee, Lord," the Rev. Fr. Philip E. Dion, C.M., chairman of the board of trustees, of the college, spoke to more than a thousand religious, students, parents and friends in the Student Center.

"It is eminently fitting," he said, "that we are gathered here this afternoon to dedicate these two new buildings, Rosary Hall and the Student Center, on the Feast of the Holy Rosary. The Blessed Virgin was the first Catholic school teacher; her pupil was her Divine Son.

Buildings Were Needed
"We are grateful that you are here," he said, "and grateful to the architects, Faulkner, Kingsburg and Stenhouse, of Washington, for having completed this wonderful project in less than a year. You have seen and you will see the loveliness of these buildings this afternoon. You will be glad to tell your friends about St. Joseph College. You will be glad your daughters and nieces can go to school here.

"Will any of you ask yourselves why these buildings were built? Where was the motive? What was the goal? To beautify the campus? For profit? Prestige? These buildings were built because they were needed by Catholic girls in the United States. The one motive was to spread the Kingdom of Christ on earth for which the Sisters here have given their lives.

Personal Development
"Today is the day of college education. But over and above the need of education is the need for personal development and to restore all things in Christ.

"This college grows on the sacrifice of the Sisters and Catholic lay teachers. The Sisters provide an opportunity for parents to educate their daughters. The buildings were needed by the Catholic youth of America, they were needed by the Catholic Church in America, they were needed by God, Himself, to spread His Kingdom. No sacrifice is too great for this."

Hold Benediction
Following the blessing of the two cornerstones Monsignor O'Donnell officiated at Benediction of the Blessed Sacrament in the Student Center.

Combining the functions of the Pines and Sunnyside, former campus recreation rooms, the new social hall is one-floor, ranch-type building with almost the entire west end of the building facing the mountains made of glass from floor to roof.

Receive Nurse's Caps
A number of Sophomores received their nurse's caps during capping ceremonies in the college chapel at 1 o'clock. Presiding were the Rev. Hugh J. Phillips, librarian at Mount St. Mary's College; Sister Hilda, Ed.M., college nurse.

Egypt Rejects Suez Proposals; Suggests Negotiating Group

UNITED NATIONS, N. Y. (AP) — Egypt today rejected the British-French Suez proposal, but suggested the creation of a negotiating body to seek a settlement of the dispute.

Egyptian Foreign Minister Mahmoud Fawzi told the U.N. Security Council that the British and French had merely reintroduced the proposal of the first London conference on the Suez which already had been turned down by Egypt.

"We do not think it wise or profitable to re-introduce proposals which already have been rejected," he said.

The plan, submitted to the Council last Friday by Britain and France, called on the Council to endorse the London recommendations for international control of the 103-mile waterway and urged Egypt to use these recommendations as a basis for negotiation.

British Foreign Secretary Selwyn Lloyd, French Foreign Minister Christian Pineau, Soviet Foreign Minister Dmitri Shepilov and Secretary of State John Foster Dulles listened intently as Fawzi spoke.

Ike "Salute" Will Be Held Here Saturday

Adams County will join with thousands of communities over the nation in a birthday salute to President Eisenhower next Saturday. The president's birthday is the following day, Sunday the 14th.

According to plans now being formulated, Adams County's birthday salute will take place in Lincoln Square starting at one o'clock.

Postmaster-General Arthur W. Summerfield, a member of President Eisenhower's cabinet, will be the speaker. The program is to be concluded at 1:30 o'clock at which time members of the Adams County Council of Republican Women will serve a piece of birthday cake to everyone.

The official birthday greetings of Adams County will be given by Burgess William G. Weaver. Wide interest in Adams County's birthday salute to the President is being manifested in York, Cumberland, Dauphin and Franklin Counties and plans are being made to welcome a large crowd.

Tentative arrangements call for a platform to be erected in the northeast quadrant of Lincoln Square. Parking will be restricted in that section of the square and traffic in the square will be controlled to the extent that it is necessary.

Definite plans will be formulated at a meeting to be held this afternoon and complete details will be announced Tuesday.

Two Injured Enroute Home From Game

Two Gettysburg area teen-agers were injured Friday night when their car collided with a second vehicle on Route 114 three miles south of Mechanicsburg.

State police said John Walter, 18, of Gettysburg R. 3, and Roy Coldsmith, 15, Gettysburg, were treated for minor injuries by Harrisburg physicians and later were treated at the Warner Hospital.

They were passengers in a car driven by Robert A. McIntyre Jr., 16, Gettysburg. The three were returning from a football game when the accident occurred, state police said.

Police added that McIntyre and Melvin Troup, 36, of Lewisberry R. 1, driver of the second car, escaped apparent injury.

Major Charles Lott Dies At San Diego

Major Charles McLain Lott, 72, U. S. Marine Corps (retired), died Sunday morning after a long illness at San Diego, Calif. His home was at 5233 Canterbury Drive, San Diego.

Well known in athletic circles on the west coast, Major Lott once was athletic director at the San Diego Marine Corps base and the athletic field there was named in his honor.

Born in 1884 at the Lott home in Cumberland Twp. he was a son of the late William Harrison and Rebecca Nelson Lott. He joined the Marine Corps as a youth and made his career in that service. He retired about 15 years ago and then was re-called to special duty during World War II.

Surviving are his widow, the former Grace Troxell of Gettysburg, and a sister, Mrs. Mary Selva Skelie of New York City. There are a number of nieces and nephews.

Funeral services Wednesday at the Johnson, Salm and Noble Mortuary at 1408 4th Ave., San Diego. The body will be cremated and will be brought here later for burial.

Civic Nursing Association

This is the sixth in a series of articles on the six Gettysburg organizations participating in the Community Chest campaign.

The Gettysburg Civic Nursing Association has a record of many thousands of urgently needed and most welcome calls upon the sick of this community over the more than 44 years it has been serving the people of Gettysburg.

The association's only source of income, in addition to the voluntary contributions made by the patients served by its visiting nurse, is the Community Chest.

In the last year Gettysburg Civic Nurse made 868 calls and that is only a continuation of the record of thousands of calls here by succeeding civic nurses since the association was formed in August, 1912.

Provide Nursing Care
The purpose of the association as stated in the revised constitution of 1952 follows: "The object of this association is to provide the services of a visiting nurse or nurses for the area covered by the Community Chest."

Nurse Of Lepers Is Guest At St. Joseph

Sister Francis de Sales, registered nurse and medical records librarian at the Carville, Louisiana leper colony, spent the weekend at St. Joseph College, Emmitsburg. Carville is operated by the Sisters of Charity.

The nun attended the International Congress of the Association of the Medical Record Librarians at the Shoreham Hotel, Washington, D. C., last week. This week she will attend sessions of the Public Health Service at the Department of Health, Welfare and Education in Washington.

Sister de Sales is a niece of Paul L. Roy, editor of The Times. In Washington she is a guest at Providence Hospital where on Wednesday she will address the nurses on leprosy.

JURISDICTION QUESTIONED IN ASPERS STRIKE

Adams County's court today was hearing testimony on whether it should place an injunction against a union and individual workers in connection with a strike at the Summit Mining Corporation plant, near Aspers.

The testimony will also determine another question — whether the court has jurisdiction in the matter. The injunction is asked by the Summit Mining Corporation against United Cement, Lime and Gypsum Workers International Union, Chicago; Local No. 162 of the national organization, located in York; Vincent Speciale, Easton, general representative of the union; Roland S. Roth, Easton, executive secretary of the District Council of the United Cement, Lime and Gypsum International Union, and Merle F. Phillips, John Baltzley and Harold R. Baltzley, Aspers.

Says It's NLRB Case
Attorney Sydney G. Handler, Harrisburg, one of the attorneys for the union raised the question of the court's jurisdiction at the opening of the equity hearing this morning.

According to Handler, the National Labor Relations Board was given jurisdiction over labor matters by Congress, and the courts have jurisdiction in labor matters only where there is violence, or destruction of property, or in some other specific cases.

In the present instance, Handler said, the company has access to "relief" through the National Labor Relations Board, and where two alleged cases of violence or disorderliness occurred, the matters were brought into criminal court in one case a hearing before a justice of the peace, in another, a matter that will come up before the grand jury later.

Are Asking Election
As a result, Handler held, there is no need for an equity action — in which the injunction is sought — because relief can be or has been found elsewhere. He added that the union has asked the Labor Relations Board to hold an election and also has asked the board to adjudicate the firing of two men, John Baltzley and Merle F. Phillips, both of the Aspers area.

It was indicated in the bill of particulars filed in the case that the firing of the two men, and refusal of the company to return them to their jobs preceded the strike now in progress.

BREAKS ARM IN FALL

Helen Herring, nine-year-old daughter of Mr. and Mrs. Dale Herring, Orrtanna R. 1, fractured her right forearm Sunday morning at the Herring home. Miss Herring, who received the fracture in a fall, was treated at the Warner Hospital where a cast was placed on her arm. She is a student at the Franklin Twp. Consolidated School.

EXPECT 200 TO LAUNCH CHEST DRIVE TONIGHT

More than 200 members of local service clubs will fan out through the town tonight with the hope of collecting a large share of the \$21,000 sought by Community Chest to support 13 organizations during the coming year.

The canvass will follow a special program in Lincoln Square at which Judge W. C. Sheely and Burgess William G. Weaver will be the speakers after a dinner program at the Moose lodge.

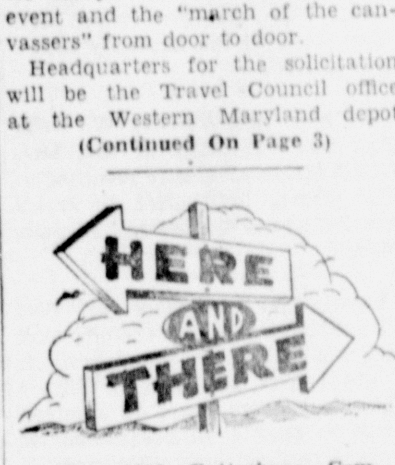

The service clubs will meet as a unit at the Moose for their weekly dinner meetings and will hear instructions in Community Chest details from LeRoy E. Smith, general chairman, and Gordon Webster, co-chairman.

To Light Torch

Following that meeting the group will move to Lincoln Square for a ceremony at which an 18-foot gas torch, "the Light of Hope," will be ignited to burn throughout the campaign. The program will be broadcast over WGET.

Immediately after that program, the canvassers will begin a door-to-door solicitation. Each member of the clubs will be given a number of cards containing the names of the persons he or she is to solicit. Plans call for a car with a loud speaker to be used to remind people that the canvassers are enroute, plus use of several bands, if arrangements can be worked out, to let the public know of the special event and the "march of the canvassers" from door to door.

Headquarters for the solicitation will be the Travel Council office at the Western Maryland depot (Continued on Page 3)

The 1956 Gettysburg Community Chest campaign opens this evening with a joint dinner meeting of service clubs at the Moose home, the lighting of the "Light of Hope" in Lincoln Square and the beginning of the house-to-house solicitation by more than 200 members of the local service clubs.

Judge W. C. Sheely will speak at the outdoor ceremony in front of the Hotel Gettysburg when the natural gas light will be lighted from a flame touched off from the Eternal Light Peace Memorial flame on Oak Ridge. Dr. J. Walter Coleman will strike a light from the Peace Memorial and transport it to Lincoln Square where it will touch off the "Light of Hope" which will burn throughout the week.

Burgess William G. Weaver will also participate in the program this evening.

LeRoy E. Smith, chairman of the Chest drive this year, issued another appeal today to all Gettysburgians to "give as generously as you can."

"We need \$21,000 to finance our program this year. This means that those who give should increase their customary donation to offset those who never give to any cause."

"The six organizations participating in the Chest drive need our support. They are representative groups, rendering wonderful service to our community and they need our financial support and our encouragement."

"The Boy Scouts will receive \$2,800; Girl Scouts, \$2,000; Library, \$3,250; YWCA, \$3,000; Recreation Association, \$6,000 and the Civic Nursing Association \$1,200. Several other organizations receive a combined total of \$250. \$2,500 is for campaign expenses and contingencies."

"Our hopes rest with our residents. If they want these organizations to continue to serve our community they will donate as liberally as they can. And I, for one, have faith and confidence in Gettysburgians," Smith said.

GOLDEN RITES HELD

Funeral services for Galen Eugene Golden, 33, Orrtanna R. 1, who died at Johns Hopkins Hospital in Baltimore last Thursday, were held Sunday afternoon at 2 o'clock at the Bender Funeral Home with the Rev. George Ewersox, McSherrystown Lutheran pastor, officiating. Burial was made in Fairview Cemetery at Ardenstville. The pallbearers were Arthur Barrick, Alfred Sanders, William Howley, Patrick McKenrick, Junior Carson and Herbert Hockensmith.

FORFEITS \$10 FINE

Max Oppenheimer, Baltimore, charged with failing to stop on the signal of an officer, forfeited a \$10 fine and costs to Justice of the Peace Robert P. Snyder Sunday. He was arrested by borough police.

Two Youngsters Injured In Crash

Two youngsters suffered bruises about the head when two cars collided Saturday afternoon at 2:30 o'clock two-tenths of a mile west of here at the intersection of Reynolds Ave. and the Lincoln Highway.

The children, Paul R. Leggere, 8, and David Marshall, 9, both of Middletown, were removed by ambulance to the Warner Hospital where the Leggere child was found to have a bruised forehead and the other bruises about the head.

State police said Russell Leggere, 52, Middletown, was driving north on the battlefield avenue and his vehicle was crossing the Lincoln Highway when it collided with a west bound car operated on Route 30 by John Headener, 34, Baltimore.

Damage was estimated at \$300 to the Leggere car and \$200 to the Headener vehicle. Both cars were towed to Swope's Atlantic Station.

CONCERT GROUP SEEKS SOPRANO TO OPEN SERIES

The Gettysburg Concert Association, which ended a week-long membership campaign Saturday evening, plans to present Philippine-born Conchita Gaston, mezzo-soprano, as the first concert in November. It was announced today.

Miss Gaston, after her debut with the New York City Opera Company, received the following comment from a music critic, "There may be a better Carmen than Conchita Gaston, but I haven't heard one." She will be accompanied by a Philippine pianist.

The third artist was chosen Saturday evening by the board of directors of the association at the Hotel Gettysburg. Dr. William K. Sundermeyer presided in the absence of Dr. Jacob W. Heikkinen, president. Campaign officials announced that the week-long drive for members was successful both "budget-wise and audience-wise."

A number of workers in the outlying areas will report early this week, it was announced.

Two Other Concerts

The association has booked the Festival Quartet for January 7 and the Vienna Academy Chorus for March 30. All concerts will be presented in Christ Chapel, Gettysburg College campus.

Mrs. Herbert H. Schmidt, membership chairman, expressed her appreciation to division chairmen, workers and to all those who assisted in making the drive a success.

Directors at the Saturday meeting were: Dr. Sundermeyer, Mrs. Floyd King, Mrs. Guyon Buehler, Miss Anna George, F. Eberhart, Miss Anna Grimm, Dr. Fred Shaffer, Rev. A. W. Geigley, Dr. Fred Tilberg, Arthur Roth, Kenneth Alwine, Mrs. Schmidt, Gordon Webster and Dr. Clarence Bartholomew.

Russell Simmons, Columbia Concerts' representative, New York City, who assisted with the campaign last week, left this weekend for Ohio.

Three Youngsters Treated At Hospital

Helen Herring, 9, daughter of Mr. and Mrs. Dale Herring, Orrtanna R. 1, was treated at the Warner Hospital for a fracture of the right forearm received in a fall Sunday morning.

Miss Roggenkamp, 9, Gardners R. 1, received treatment for a laceration of her left eyebrow sustained in a fall from a horse Sunday afternoon.

Lou Ann Treas, 5, daughter of State Policeman and Mrs. James Treas, 522 York St., was treated for a laceration of the right leg received while climbing a fence Sunday.

CAR-TRUCK CRASH

No one was hurt when a truck and a car sideswiped at 10:45 a.m. Saturday five miles west of York on Lincoln Highway, state police reported. Police identified the auto-mobile driver as Dorothy V. Bosley, Glen Rock R. 1, and the operator of the truck as W. J. Hamm, New Oxford R. 1. Total damage was estimated at \$450.

FIRE POLICE TO MEET

The Adams County Fire Police will meet this evening at 8 o'clock at Greenmount, it was announced today by the president, Charles W. Culp, of Gettysburg.

Pope Innocent Beatified 257 Years After His Death

VATICAN CITY (AP) — Pope Innocent XI, a humble prelate who dared oppose the mightiest ruler of Europe, has been beatified 257 years after his death.

Pope Pius XII proclaimed him "blessed" and entitled to public religious honor in a glittering ceremony yesterday in St. Peter's Basilica.

Beatification is the church's second degree of sanctity and usually is a step toward canonization, the process of enrollment among the saints.

Pope Pius XII called Innocent XI "reformer of the church, defender of its rights and protector of Christianity." His words were carried to the Basilica and to the world by Vatican radio immediately after the reading of his

PRESTON TATE DIES SUDDENLY SATURDAY AT 85

Preston S. "Doc" Tate, 85, former baseball manager, watchmaker and rural mail carrier, died suddenly at his home, 247 Baltimore St., Saturday night at 10:45 o'clock.

He had suffered a slight stroke last January but had recovered and was down street Saturday afternoon on his daily walk. He had retired at 9:30 o'clock Saturday evening. He suffered a coronary occlusion at 10:00 o'clock and died within 15 minutes.

Born in Gettysburg, and a lifelong resident here, he was a son of the late Dr. Theodore and Mary (Smith) Tate. He attended the local public schools, Gettysburg Academy and College. He played baseball at college and while a student served as a catcher for Eddie Plank. He managed several baseball teams in the county.

He learned the watchmaking trade under his brother-in-law, the late Penrose Myers, and for years was in charge of the maintenance of the old court house clock.

Retired Rural Carrier
For many years he served as a rural mail carrier, retiring in 1936 at the age of 65.

A member of Christ Lutheran Church, he was a member of the Good Samaritan Lodge of Masons No. 336 and of the Independent Order of Odd Fellows.

Surviving are his widow the former May Kitzmiller, whom he wed 57 years ago, and two daughters, Miss Margaret Tate, at home, and Mrs. Frances T. Haner, Gettysburg.

Funeral services Tuesday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Herman G. Stumpfle Jr. officiating. Interment in Evergreen Cemetery. The family will receive friends this evening from 7 to 9 o'clock at the funeral home.

Pope Pius XII called Innocent XI "reformer of the church, defender of its rights and protector of Christianity." His words were carried to the Basilica and to the world by Vatican radio immediately after the reading of his

paper brief proclaiming the beatification.

Born Benedetto Odescalchi at Comon, Italy, on May 16, 1611, Innocent XI was known for his humility and the severity of his way of life. The process for his beatification began 25 years after his death on Aug. 12, 1669. It was slowed up by the antagonism caused by his fight with King Louis XIV of France.

The struggle was based primarily on royal prerogatives that Roman Catholic rulers then enjoyed. Louis had extended to the whole of his kingdom privileges that the church had granted to certain dioceses.

Innocent viewed this as a threat to ecclesiast

MAN IS HELD IN DEATH OF BABY, BADLY BRUISED

MAHONNY CITY, Pa. (AP)—Police held a Weston, Conn., man on an open charge pending his arraignment today in connection with the death of an infant boy here.

Roy E. Casey, 32, of Weston, who had been conducting a small coal mining operation near here recently, was taken in custody early yesterday after the death of 17-month-old Thomas Shamolsky in the Shamolsky apartment. Investigators said Casey had been living the child's mother, Mrs. Vincent Shamolsky, and her brother, Malachi Downey, since Mrs. Shamolsky's estrangement from her husband, who now lives in Waterbury, Conn.

They said Casey, the woman, and her brother had been out drinking Saturday night, leaving the infant and another Shamolsky child, Linda, 4, with a baby sitter. Schuylkill County Detective William Keuch said Casey told this story in a signed statement:

Had Broken Nose
Casey left the others early yesterday, returned to the Shamolsky apartment and sent the baby sitter home. A short time later the infant began crying and Casey picked him up.

The child fell from his arms and Casey tripped and fell on him. The child began bleeding from the nose and mouth and Casey was unable to stop it. He then tried to keep the child from choking on its own blood.

The baby became quiet suddenly and Casey ran to get Mrs. Shamolsky. When they arrived back at the apartment, the child appeared lifeless and authorities were summoned.

Coroner Otto Miller said the child had suffered a broken nose, a lacerated jaw and bruises of the face.

An autopsy was held but its findings were not made public.

Secretary Wilson
Returns To Office

WASHINGTON (AP)—Secretary of Defense Wilson returned to his Pentagon office today saying he felt "surprisingly well, after fooling with the doctors" who performed surgery on him two weeks ago.

The Pentagon boss' found his desk piled high with get well cards and messages of cheer. One card, which prompted Wilson to quip that there is at least "one discerning Democrat," read:

"Dear sir: I wouldn't vote Re- publican for less than \$100,000 tax free, but I like you and hope you will get well soon, (signed) A Democrat."

Just two weeks ago, doctors at Walter Reed Army Hospital here performed surgery to correct what they said was "a benign prostatic condition." Wilson left the hospital last week but remained in his Washington apartment until this morning.

President's Party In Honduras Wins

TUGUCIGALPA, Honduras (AP)—Supporters of acting President Julio Lozano today claimed a victory in a Constituent Assembly election marked by police and troop gunfire which killed one person and wounded nine.

The National Union party and its Reformist party allies announced they had won 38 of the 56 seats in the polling yesterday, giving them the necessary majority to put through their plan of electing Lozano, 71, as the constitutional president.

Without disclosing vote totals, the government supporters said they won in 10 of Honduras' 14 departments including Francisco Morazan, in which Tegucigalpa is situated.

Soldier Killed In Turnpike Accident

LANCASTER, Pa. (AP)—One man was killed and two others injured today when an automobile crashed into the rear of a tractor-trailer on the Pennsylvania Turnpike, three miles east of the Reading interchange.

State police identified the dead man as Gerald D. Blough, 19, Hollisopple, Somerset County, Pa. Seriously injured was George Law, 21, also of Hollisopple, John A. Grovichin, 20, Cleveland, was treated for minor injuries and discharged.

Police said the three were soldiers enroute to Fort Dix, N.J. Investigators said it appeared that Law, the driver, must have fallen asleep at the wheel.

The driver of the tractor-trailer was unhurt.

'Pike Commission Sues Reading Firm

HARRISBURG (AP)—The Pen- sylvania Turnpike Commission today sued a Reading engineering firm for \$9,425,981 it said was paid illegally in construction of the northeastern extension of the super highway.

The huge counter suit was filed in Dauphin County Court in answer to a demand made last spring by Manu-Mine Research and Development Co., for 1½ million dollars the firm claimed it failed to receive for work done for the commission.

Arthur A. Maguire, general counsel for the Turnpike Commission, charged in the suit that Manu-Mine and T. J. Evans, former commission chairman, formed an "unlawful, wicked and malicious conspiracy" to syphon off millions of dollars from the commission.

Susan Todd was pianist for the program.

Benediction Follows

The pastor, the Rev. William A. Boyle, spoke briefly commending the children for their part in the afternoon's festivities and the parents for their generosity and for attending the program. He also urged that parents do their part to help their children with their education and discipline by working at home with them as the Sisters do in school. Sister Mary Hubert, principal of the school, accepted, in the name of the other Sisters, the hundreds of items of canned and home jarred fruits and vegetables and other household items, together with more than \$100 in cash, which had been contributed by parishioners. The harvest was on display in the school hall. Other members of the teaching staff are Sister Mary Cypryan, Sister Mary Anita and Sister Mary Angelita.

Following the program, the church was filled to capacity for Benediction of the Blessed Sacrament.

The pastor announced at the morning masses in St. Aloysius church on Sunday, that there is an exemption from the law of fast and abstinence on Friday, Columbus Day. It was also announced that the quarterly meeting of the Southern Regional Holy Name Union will be held on Sunday at St. Joseph's Parish, Dallastown. The quarterly meeting of the St. Aloysius Parish Council of Catholic Women will be held at St. Andrew's Parish, Waynesboro.

SCORE OF PA. SCHOLASTIC 11'S UNBEATEN

HARRISBURG (AP)—A score of undefeated-united teams are leading the parade today as the 1956 schoolboy football season nears the half-way mark.

The 20 teams, however, are only part of the all-winning squads in the state that weathered the first five weeks of play with unblemished records.

The all-winning teams include: East—Lower Merion, Scranton Central, Clarks Summit, St. Clair, Tamaqua and Wilkes-Barre Coughlin.

Central—Williamsport, Danville, Milton, Carlisle, Harrisburg John Harris.

West—Ambridge, Charleroi, Corry, Duquesne, Farrell, Jeannette, McKeesport, Sharon and Wilkensburg.

14 For Carlisle
Lower Merion and Carlisle are carrying all-winning streaks for more than one season. Lower Merion extended the state's longest major unbeaten-united skein by beating Norristown 34-0 over the weekend.

Carlisle, meanwhile, whipped Waynesboro 39-7 to run its all-winning streak to 14 games.

Three powerhouses were knocked from the unbeaten ranks in the weekend action. Johnstown was surprised by Duquesne 37-7. Bethlehem was jolted by Milton Hershey 14-7 and Curwensville, leader in the Western Conference, lost a non-league game to Johnsbury 25-0.

Pennsylvania State University, State College, spent the weekend at the home of his parents, Mr. and Mrs. Carroll Dodder, E. King St.

Officers were elected at the first fall meeting of the Junior Fellowship of Centenary Methodist Church, held on Friday at the home of the adult counselor, Mrs. Chester S. Byers, E. Myrtle St. The officers are: President, Arthur Byers; vice president, Lynn King; secretary, Linda Harner; treasurer, Edward Budd. Programs for the next several months were planned, including a masked Halloween party as a social event on Friday, Oct. 26, 8:30 p.m., at the Byers home.

PEACE BETWEEN ISRAELI - ARABS IS AIM OF IKE

WASHINGTON (AP)—Vice President Nixon said yesterday the promotion of Israeli-Arab peace is one of the Eisenhower administration's "top priority objectives." Sen. Estes Kefauver said that in the Middle East and elsewhere the administration has "failed . . . to develop any approach to peace in a grand design."

The Republican and Democratic vice presidential candidates spoke at different times before the same group, the national convention of the Zionist Organization of America.

Nixon said U. S. policies in the Middle East should be kept out of partisan politics. Kefauver said those policies allowed Russia to gain a Mideast foothold.

Nixon and Kefauver were both in the capital during respite from their intensive campaigning. Nixon will set out again tomorrow, starting in Texas.

On 4,000-Mile Tour
Kefauver leaves today for another week of aerial barnstorming which will take him 4,000 miles through the East and Middle West.

In his talk to the Zionist group, Nixon said both major parties agree on a need for preservation of Israel's independence.

"I know you will agree with me that for this issue to become a partisan one in the heat of a political campaign will serve neither the interests of Israel or the United States," he said.

Kefauver said that "without reaching a solution as to Suez we have also managed to alienate some of our most important friends." He said the administration has displayed a lack of firmness, and that it has bobbled opportunities ever since the Geneva summit meeting.

Nixon recalled an April statement by President Eisenhower that this country is "determined to support and assist any nation which might be subjected to aggression." He said this statement was so firm that it is "in itself the greatest deterrent to aggression."

The Zionist group adopted a resolution saying U. S. policy in the Middle East is in "total collapse," and it elected as its president Dr. Emanuel Neumann of New York who was sharply critical of the State Department.

IKE SAYS DRAFT INDISPENSABLE; CITES MEANING

WASHINGTON (AP)—President Eisenhower says that selective service is indispensable under present conditions and "loose talk of soon ending the draft" would be construed abroad "as letting down our guard."

Without mentioning Adlai E. Stevenson by name, Eisenhower issued a statement obviously replying to the Democratic presidential candidate's contentions that the draft is "wasteful" and "inefficient" and should be ended "at the earliest possible moment consistent with the national safety."

"To call the draft wasteful and to term it a Maginot Line," Eisenhower said, "evidences either ignorance of our military needs or a willingness to take a chance with our nation's security."

Brownell Speaks
In another statement issued by the White House at Eisenhower's request, Atty. Gen. Brownell said the economic prosperity which he said has come under the Eisenhower administration has helped to lessen the menace of communism in this country.

Eisenhower himself took it easy during the weekend as he prepared for his next major broadcast and televised campaign address in Pittsburgh tomorrow night.

Yesterday he attended services and received holy communion at the National Presbyterian Church as part of a worldwide observance of Communion Sunday.

"Safeguard Citizens"
In his draft statement, he said, "The United States is maintaining its military strength to safeguard the American people in their homes, to deter hostile attack at home and abroad, and to encourage the prospect of world peace. This administration is determined to continue that strength."

Both total military manpower and draft calls have been cut since the Korean War ended, he said, partly because of the greater firepower of new weapons. Various military programs have been set up, he said, to give young men a choice without waiting for the draft to plan their futures.

"We do not propose to draft one man more than we need," he added.

Promoting Jobs For Handicapped

Today marks the beginning of the twelfth annual observance of National Employ the Physically Handicapped Week. The week, first designated by Congress in 1945, seeks to enlist the support of all Americans for community programs aimed at boosting the employment of handicapped workers.

NEPH Week has been proclaimed in Pennsylvania by Gov. George M. Leader and by Burgess William G. Weaver for the citizens of Adams County.

The Adams County Committee is one of 84 local committees affiliated with the Governor's Committee on Employment of the Handicapped. Members of the local group include: Arthur Roth, president of the Adams County Welfare Council; C. P. Keefer, assistant superintendent of Adams County Schools; George Kitzmiller, Bureau of Rehabilitation, and Lawrence Cummins, Bureau of Employment Security.

Officials of the Adams County Committee for Employment of the Physically Handicapped said that the main purpose of the NEPH Week celebration is to acquaint the public, particularly employers, with the fact that handicapped persons are dependable, productive workers when placed in jobs suited to their capabilities.

Civic Nursing

(Continued from Page 1)
In acute illness, care for the aged and chronic patient, care for the cardiac, instruction in the care of newborn babies and instruction on how to give insulin to diabetics.

The loan service of sickroom supplies includes the use of an air ring, a bedpan and bedside commode. All nursing services are given under the direction of a physician.

Used By 11 Doctors
The Civic Nursing Association has often voiced its appreciation to the doctors of the community for their cooperation. Last year 11 physicians used the services of the Civic Nurse.

The records of distinguished community service of the Civic Nursing Association goes back to the formation of the association at a public meeting of citizens in 1912 when initial donations by people of the community totaling \$595 launched the nursing service here. The late Dr. J. A. Singmaster was the finest president of the association and served in that capacity until his death in 1926 and the late Miss Kate Briel was appointed as the first civic nurse.

Have Had Five Nurses
There have been five nurses. Miss Briel served until 1920. Then Miss Mary Grove was selected and served until 1925. The next nurse, Mrs. J. T. Fogle, now of Lancaster, has the longest service record in the history of the nursing service here. She served from 1925 until 1947 when Mrs. Joseph F. Bushey became the nurse. She was succeeded in 1950 by Mrs. Holtzworth when Mrs. Bushey resigned to become a state nurse.

The board of directors of the association holds regular quarterly meetings and others as necessary. The annual meeting is held the fourth Friday of each October. The association president now is Mrs. Wilmer Roth. The other presidents since Dr. Singmaster were: Dr. H. C. Alleman, who served for 21 years; Dr. Dwight F. Putman, Mrs. George F. Eberhart and Mrs. Ralph B. Gresh.

Board and annual meetings are held at the YWCA.

HOSPITALS MAY GET MORE MONEY

HARRISBURG (AP)—Harry S. Truman, welfare secretary, expects to make a decision "within two weeks" on whether general hospitals will receive the lion's share of the state's \$5,774,977 federal 1957 grant for hospital construction.

Under a resolution adopted last December by the department's Advisory Hospital Council all money given to Pennsylvania for both 1956 and 1957 under the Hill-Burton Law was to be directed exclusively for use in the mental hospital field.

This decision raised protests and the secretary some time ago said he would reconsider with regard to the 1957 funds depending upon what mental hospital construction is undertaken by the General State Authority.

"The final program for the disposition and allocation of the 1957 funds will be announced within two weeks," Shapiro said today.

DILLSBURG'S ANNUAL FAIR OPENS OCT. 18

Robert F. Gayman, Dillsburg, was elected president of the Dillsburg Community Fair Association at a recent meeting of the association. Other officers elected for the 1956-57 term include: Stewart Lehman, vice president; secretary-treasurer, Robert Cocklin; first assistant secretary-treasurer, Robert Hair; second assistant secretary-treasurer, Richard C. Speck; director for three years, E. M. Karns. Jay Mumper was appointed director to fill the unexpired term of Earl Robson who resigned. Other directors include, Glenn Cromer, William S. Strayer and John Culp whose terms did not expire this year.

This year's annual Farmers' Fair will be held October 18, 19, 20, getting underway with the formal opening at 8 p.m. at Northern Joint High School auditorium when a queen will be chosen and will reign over the fair. This contest is under the sponsorship of the Dillsburg Junior Chamber of Commerce and the VFW Auxiliary and is open to any girl residing in Northern Joint High School district and between the age of 16 and 21. Entry blanks are now available at Stover's Pharmacy, Krall's Drug Store, K-Ann Dress Shop, Spoerlein's Dress Shop or at the high school. The winner will receive a savings bond and the runnerup will be given a merchandise certificate. John T. Smith, York County farm agent, will be guest speaker at the opening ceremonies.

The Friday night affair will feature the Kiddies' parade at 7:30 p.m. with more than \$100 in prize money being offered. The Dillsburg Women's Club is in charge of the parade with Mrs. Clyde Grove serving as chairman. Rain date for this event will be Saturday, October 20, at 2 p.m.

"Fantastic Parade" Oct. 20
The final day of the fair, October 20, will be highlighted by the "fantastic parade" at 8 p.m. in which approximately \$600 will be given in prizes. Rain date for this event will be Monday, October 22, at 8 p.m. Serving as general chairman will be Eugene King assisted by members of the VFW, Dillsburg Fire Company, Dillsburg Lions Club and the Dillsburg Junior Chamber of Commerce.

Starting Thursday noon, October 18, there will be on display in the Dillsburg Community Hall exhibits throughout the fair with the chairman of each department: Eggs, Glenn Cromer; farm crops, Leroy Altland; vegetables, Robert Orner; fruits and nuts, Mrs. Charles Rhinehart; bread, cakes and pies, Mrs. Phillip Hudson; canned goods, Mrs. O. L. Spahr; sewing and handicraft, Mrs. Ray Byers; arts and crafts, Mrs. George Flickinger; flowers, Mrs. Paul Harbolt.

Gilpin Cooke has been appointed general chairman in charge of exhibits assisted by Glenn Cromer, Richard Deardorff and R. E. Lehman Jr. Prizes totaling more than \$270 will be offered for the exhibits being displayed.

Other participating individuals and organizations are: Dill Pickle Advertising solicitation, Dillsburg Lions Club; exhibit award money solicitation, Dillsburg Junior Chamber of Commerce; entertainment and beauty contest, VFW Auxiliary and Junior Chamber of Commerce; publicity, Robert Cocklin and Ray Byers; floor arrangement and construction for exhibits, H. H. Spoerlein and Northern Joint High School F.F.A. Chapter; electricity, Glenn Cromer and William S. Strayer; concessions, Roy L. Krall; Dill Pickle sales and booster tickets, John Culp assisted by Class of 1957 of Northern Joint High School.

and the collectors will turn in to that office the signed pledge cards they obtain.

Special Rural Area Canvass
It is anticipated that the canvass cannot be completed tonight and as a result the Travel Council office will be open each night from 6 to 10 o'clock to permit the canvassers to turn in their results as they secure them during canvasses and "call backs" later in the week.

Chairman Smith asked that persons who may donate to Community Chest at places of employment located outside the Gettysburg area notify their place of employment when they make the donation that it is to go to Gettysburg and also that when the collectors call to night, or later in the week, so notify the canvasser—so that the local Community Chest can contact the firms and obtain the donation.

While the solicitation is being made in Gettysburg through the service club members, a different form of canvass is being made in the Gettysburg R. D. area. A committee comprising a number of residents of the area will call on some of the people in the rural areas while others will be contacted by mail.

Some Rural Workers

The rural solicitation committee includes Bernard Miller, Round Top; James Weaver, Confederate Ave.; Dr. and Mrs. Richard Geyer, Grandview Terrace; Eugene Clapper, Grandview Terrace; Mrs. Clarence McClellan, Harrisburg Rd.; Russell Maitland, Herr's Ridge and the Country Club area; Clarence Bartholomew, Windbriar Lane; Elmer Schriber, Oak Ridge and Mrs. Stanley Hull, Munnasburg Rd.

Donations to Community Chest this year will help support the YWCA, Boy Scouts, Girl Scouts, Recreation Association, Adams County Free Library, Civic Nurse Association, USO, National Recreation Association, American Social Hygiene Association, United Seamen's Fund, Pennsylvania Mental Health Association, Pennsylvania Welfare Forum and Pennsylvania Citizens Association.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

Eight Teachers Wanted: The school directors of Cumberland township will meet at the house of Benjamin Schriver on Saturday, the 18th of October, at 10 o'clock, A.M., to receive applications for EIGHT TEACHERS for the public schools of said township. The county superintendent will be present to examine teachers. Jacob Beamer, secy.

Flour For Sale: If you want a good barrel of flour, call at Hoke's Store, as he has made arrangements to have always the best, which he will sell at 25 cents advance. John Hoke.

LADIES: Do you want cheap and fashionable ROBES? If so, call at FAHNESTOCK'S.

Wall Paper: Cobean and Paxton invite the attention of housekeepers and other who intend fixing up their houses this Spring, to their stock of SIDE, CEILING and BORDER PAPER.

Gettysburg: One of their Lies — An article, authorized by the Democratic State Committee, published in the Ledger a few days ago, says, "We find in the Gettysburg Sentinel, a glowing account of the speech of Mr. Cochran, at a Freemont meeting at Petersburg, in that county." Now this is not true — the meeting at Petersburg was not a Freemont meeting at all; but was a Union meeting, in favor of State and County candidates — and the friend of Fillmore and Freemont both participated in it, as all were included in the general call.

SEVENTY-FIVE YEARS AGO
Adams County Bible Society: The eighth anniversary of the Adams County Bible Society will be held in Tuesday, the 25th of October, in the College Church in Gettysburg. A business meeting will be held by the delegates from various auxiliary societies in the afternoon at three o'clock, and a public meeting in the evening to which the general public is invited. It is earnestly desired that all the local societies in the county be represented in this convention. J. K. Demarest, President. Charles A. Hay, Secy.

Sales: The executors of the will of Thaddeus Stevens, deceased, have sold 37 acres and 85 perches of Maria Furnace land, Hamiltonban township to Henry H. Wintrobe for \$250.

Two houses in Abbottstown belonging to the estate of W. L. Gitt, deceased, have been purchased by Dr. W. F. Hollinger at \$300 and \$380. On Friday last Isaac Byers, for the heirs of Lydia Plum, deceased, sold a tract of land in Butler township, containing seven acres with improvements, to Reuben Vandye for \$893.50.

Emanuel Reed has purchased the Thomas Stoner farm, in Union township, at \$60 per acre.

Geo. Dient has sold his property near Two Taverns, to S. Miller for \$2,000, and purchased the Bankard property, near the Donnell farm.

Stephen Straley has purchased the Dicks hotel at Hampton.

Local Items: Hanover is to have a Marriage Aid Association, to be called the "American."

Dr. J. A. Swope is arranging to put up a canning establishment on North Stratton street.

Eugene L. Rowe, of Emmitsburg, has been admitted to the bar of Frederick county.

The back-building of the residence of Jacob Pitzer, Bendersville was slightly damaged by fire one night last week.

The project is revived of a new railroad from Gettysburg to connect with the Fred. and Pa. Line road at or near Littlestown.

Frank U. Keefe, of this place, took the first premium for the best mare 4 years old and over, at the Chambersburg Fair last week.

Miss Nettie McFadden, a well-known young lady of Carlisle, died on Wednesday night after a brief illness, caused by eating ice cream.

Sudden Death: Henry Dustman, nurseryman of this place, was taken with cramp colic on Monday and died the same night. He had been working in his nursery during the morning and probably over-exerted himself.

Today's Talk

KEEP EFFORTS ALIVE

How many things we start all through life but leave after a while without accomplishing anything with such efforts. We just let the efforts die without any burial service! Many a genius has thrown himself into the discard because of the dropping of important efforts.

There is a famous saying by William James, the noted psychologist, that I discovered in his essay on "Habit." I believe it was. He said: "Keep the faculty of effort alive in you by a little gratuitous exercise every day. That is, be systematically ascetic or heroic in little unnecessary points. Do every day or two something, for no other reason than that you would rather not do it, so that when the hour of dire need draws nigh, it might find you not untrained and untrained to stand the test."

We know of people who are forever starting something but never finishing it. They keep sprinkling efforts all about them through life. It is a fine thing to form the habit of doing something each day that we would rather not do, as suggested by William James. It helps us to take the bitter with the sweet in life, arming us with faith and an ever-increasing courage.

We would not have had any of our wonderful inventions and creations were it not for the fact that men kept their efforts alive, adding to them each day. Think of the multitude of failures that had to be faced before the final triumph! Miracles are being performed every day! We take them as a matter of course. How indebted we are to our pioneers who kept the fires of enthusiasm alive and burning, never deserting a single useful idea, but keeping it alive!

Tomorrow Mr. Adams will talk on the subject: "Influence" Protected, 1956, by the George Matthews Adams Service

DESCRIBE NEW KIDNEY WHICH CAN SAVE LIFE

By ALTON L. BLAKESLEE

AP Science Reporter
SAN FRANCISCO (AP) — A surgeon today described a simple new artificial kidney which you might swallow to prevent death from blood poisoning.

Once easily swallowed, it would do the work of ailing kidneys to remove fatal poisons from the blood. It is merely a thin, collapsible tube of plastic sausage casing, filled later with a special fluid to make it work like healthy kidneys to purify the blood. It works when it's inside the small intestine.

Bold Approach
This artificial kidney has kept dogs alive even when both their kidneys had been removed. It also helped a man dying of a chronic kidney disease that had ruined his

4 CANDIDATES GET ATTENTION IN ALL MEDIA

By JAMES MARLOW

Associated Press News Analyst
WASHINGTON (AP) — All four candidates in this campaign are doing their best to catch the nation's eye. All have used radio and television some. And they've been aiming straight at newspapers' front pages.

The aiming sometimes has been pretty shrewd. President Eisenhower and Adlai Stevenson both got a lot of mileage out of their argument over ending the draft and the H-bomb tests.

In 1952 Eisenhower was credited with hitting on a surefire voter appeal — particularly to parents — with his promise to go to Korea, if elected, to try to end the war.

This year Stevenson certainly knew he had an appeal to parents when he talked of ending the draft, although all he really said was that the draft should end when it's safe to end it.

Issues Thin
Perhaps because the campaign issues are pretty thin, he has repeatedly made headlines with his draft proposal, plus his suggestion for ending big-scale nuclear bomb tests if other nations agree to do the same.

Eisenhower did equally well in opposing Stevenson's ideas. He has made headlines in three different ways: in speeches, news conferences and White House statements.

Without opening his mouth as a candidate, Eisenhower as president issued separate statements on the draft and the H-bomb.

If he had issued one statement covering both subjects he would have made front pages for one day. Instead he made all the Saturday papers, morning and afternoon, with his explanation late Friday against ending H-bomb tests.

Feverish Pace
Then, with a statement Saturday against ending the draft, he made all the Sunday papers.

Stevenson has been spinning around the country at a feverish pace, making half a dozen or more speeches a day to little groups and big crowds.

That not only lets him talk directly with a lot of people; since he's followed everywhere by newsmen, he's assured of attention in the newspapers and on news broadcasts day and night. He has been in the news practically every day since the campaign began, far more than Eisenhower, who has said less.

Other Hard Workers
Eisenhower's news conferences, though, are a ready-made device for talking on the issues since the newsmen at the conferences are bound to ask him about them.

Vice President Nixon and Sen. Estes Kefauver, working just as hard as Stevenson in their day-by-day barnstorming around the country, are also accompanied by newsmen from the wire services and the big newspapers.

So they are assured of nationwide stories every day. They're not depending on that alone. They've held a lot of news conferences where local reporters could ask questions and give them extra mileage in the local papers.

Kidneys.
This bold approach to a most serious problem was reported at the opening of the American College of Surgeons' annual congress by Dr. Paul R. Schloerb, surgeon of the University of Kansas School of Medicine and Kansas City Veterans Administration hospital.

Blood poisoning, or uremia, comes when injured or diseased kidneys fail to remove poisons accumulating in the blood. One answer is to tap blood flowing through an artery and send it through an artificial kidney machine where it's purified and put back into a vein.

The heart of these machines is a thin sausage casing with tiny pores permitting poisons in the blood, such as potassium, urea and nitrogen, to escape into a special bath of surrounding fluid. Dr. Schloerb finds the sausage casing works just as well when put inside the small intestine. It can remove poisons from the blood then even though not in direct contact with the blood.

Atomic Tests Affect Australian Cattle

ADELAIDE, Australia (AP) — Cattle 400 miles from the scene of Britain's current series of atomic tests in Australia today were reported heavily affected by radioactivity.

The British have exploded two atomic devices at the Maralinga testing grounds in South Australia and are to set off two more soon.

The cattle were slaughtered at Hamilton Downs station, north-east of Maralinga. A Geiger counter check of their thyroids after the cloud from the blast passed over the station reportedly gave a radioactivity count of 3,000 instead of a normal 30. But scientists would not say whether a count of 3,000 was dangerously high.

IKE TO SPEAK IN PITTSBURGH TUESDAY NIGHT

HARRISBURG (AP) — The Republican State Organization shifted its fall election campaign to Western Pennsylvania today in preparation for President Eisenhower's major political address at Pittsburgh tomorrow.

And the Republican organization is pulling out all the stops for the chief executive's second campaign visit to Pennsylvania.

Sen. James H. Duff, candidate for re-election, will introduce the president at Hunt Hall for the 9 p. m. nationally televised address tomorrow.

The President and Mrs. Eisenhower are scheduled to arrive at Greater Pittsburgh Airport at 4 p. m. and will be met by Duff, Sen. Edward Martin (R-Pa.) and the statewide GOP candidates for a motorcade to midtown.

To Appear At Dinners
Eisenhower is also slated to "look in" on two dinners, one for GOP statewide, congressional and legislative candidates and the other for Republican chairmen and vice chairmen of the state's 67 counties.

The President will be the second member of the GOP national ticket to appear in Pennsylvania within a week. Vice President Nixon spoke in Philadelphia last Wednesday.

A rally for GOP campaign workers Sept. 12 at his Gettysburg farm opened Eisenhower's campaign for re-election.

In Republican developments today and over the weekend: George I. Bloom, Republican state chairman, said Adlai Stevenson, the Democratic presidential candidate, "lacks the judgment and experience to be president of the United States."

And Bloom said Stevenson's whistle-stop tour of the state last Wednesday showed Pennsylvanians what Bloom said was "the mask of Stevenson's doubletalk and (they) recognized him as a defeated candidate whose heart is not in the campaign."

Duff said his Democratic opponent, Joseph S. Clark, "has stated that he stands for a return to Truman and Acheson." "Between them," Duff said, "they got us into the Korean War. Eisenhower got us out."

Dean Acheson was secretary of state under former president Harry S. Truman.

President Eisenhower posed for a photograph exactly one month after his Sept. 24, 1955, heart attack.

COAL MERGERS ENCOURAGED BY JOHN L. LEWIS

By NORMAN WALKER

CINCINNATI (AP) — Merger of the nation's coal business into a few big firms is expected and even courted by the coal industry's labor organization, the United Mine Workers.

John L. Lewis, UMW president, has put an accent on improving industry efficiency to pay for rising wages and worker benefits and says industry combines will help advance that cause.

This policy has been made clear by Lewis during sessions of UMW convention sessions, which resume today for a second week.

Combination Possible

Lewis told the convention that the new era of peaceful labor negotiations in the industry, contrasting with the former period of bitter strikes, is making possible larger combinations of coal producers.

The UMW chief said the industry trend toward a few big operating firms is to be desired, not blocked. He said the pooling of capital, purchasing and managerial talent could only result in lower industry costs and enable producers to pay miners' greater benefits.

"These great combines now being formed in the industry are able to save enormous sums of money," he said. "That is modern operation. That condition is one which I think the industry now in its major sense is dedicated to continue."

Sees Growing Market

The significance of the situation in coal seemed to be that Lewis, having succeeded in building the UMW labor organization into a force fully able to barter the best terms possible, now is encourag-

Industrial Fires Hurt U.S.

A landmark in American industry went up when this Springfield, Ohio, plant was destroyed by fire earlier this year. This, reportedly, was the first sawtooth-constructed industrial building in the world. Although exploding drums of flammable liquids and insufficient hydrants hampered fire fighting, these were not the principal reasons that the building was totally destroyed at a loss of \$250,000. The fire chief on the scene explained it this way: "A one-story frame metal clad building without a watchman, sprinkler system or automatic fire alarm system—what can you expect?"

The National Fire Protection Association, sponsor of Fire Prevention Week this October 7-13, estimates that there were 37,600 manufacturing fires of all kinds last year that cost this country \$188,674,000.

Start Bank Probe In Illinois Scandal

CHICAGO (AP) — The U.S. Senate Banking and Currency Committee today digs into the \$1½-million-dollar swindle that rocked Illinois politics and shoved a popular Republican politician out of office and into prison.

The announced purpose of the public hearings is to determine the involvement of federally insured banks in the Orville E. Hodge scandal, and whether bank-

ing coal producers into more efficient combinations to pay even higher wages and keep costs down. Lewis recently won a new \$240 daily pay boost for coal miners that brought them to a \$22.25 basic wage level.

Lewis, a close student of the coal industry, sees a vast growing market for coal, despite gas or oil, or even atomic energy power.

THREE SAILORS HURT IN CRASH

LEWISTOWN, Pa. (AP) — Three sailors, on home leave, were injured, one seriously, in the crash of their automobile near here early today.

Richard T. Truchanowicz, 21, of Erie, suffered a fractured skull, lacerations and abrasions of the face and body. His condition was described as critical.

Donald Engman, 21, of Erie, suffered lacerations of face head Robert Huff, 17, of Bradford, received lacerations of the face and eyes and a possible fracture of the lower jaw. Their condition was described as satisfactory.

State police said their automobile left the highway on the curve of a hill before it struck the utility pole.

Three other sailors from the same area were treated for minor hurt and went by bus to Bainbridge Md., where all were stationed. The six sailors were enroute to Bainbridge after spending the weekend at their homes.

Series Evens Up As Games Follow '55 Pattern In Reverse And Both Teams Win At Home

By JOE REICHLER
NEW YORK (AP)—If the World Series continues at the present pace, with neither team able to win on the road, the Brooklyn Dodgers will repeat as world champions—in seven games.

The series has followed the exact pattern of last year's, only in reverse. New York's 6-2 victory yesterday behind the surprisingly strong pitching of Tom Sturdivant plunged the series into a 2-all deadlock.

Sal Maglie, winner of the opener at Ebbets Field, comes back today for Brooklyn to face Don Larsen, who couldn't hold a 6-0 lead in the second game, also won by the Dodgers. The Yankees won the next two, both at Yankee Stadium.

Dodger Homers Scarce
In 1955, the Yankees won the first two games at home and the Dodgers took the next pair at Ebbets Field. The teams continued to win in their home parks until the final game when Johnny Podres broke the string with his brilliant 2-0 victory at Yankee Stadium.

Apparently, a spacious ball park such as Yankee Stadium is not suited to the Dodgers' power, but Ebbets Field is made to order. Except for Duke Snider and Gil Hodges, Dodger hitters are not real long-distance clouters despite their imposing home run records.

In the five series between the two clubs since 1949, Brooklyn hitters have batted 23 home runs in 15 games at Ebbets Field. In 14 games at Yankee Stadium, they've hit only 7, none in the two games this year.

Two Yankee Homers
The Yankees have hit 19 in the Stadium and 17 at Ebbets Field in one game less.

Two home runs were hit yesterday — both by the Yankees. Mickey Mantle got his second of the series, a Ruthian 440-footer into the center field bleachers off Ed Roebuck in the sixth inning. Hank Bauer walloped his first in 36 series games off Don Drysdale in the seventh with one on.

Those runs would have been enough for Sturdivant, who held the Dodgers to six hits, walked as many and struck out seven. His biggest strikeout came in the ninth after the Brooks had scored once, and had him on the ropes with the bases full and only one out. Randy Jackson came up as a pinch hitter, representing the tying run. Young Tom whiffed him for strikeout No. 7. Jim Gilliam then filed out to end the game.

A Big Win
It was a big win for the Yankees and a bigger one for Sturdivant, 26-year-old right-hander from Oklahoma City who began his career as an infielder in the Yankee farm system but turned to pitching because as he put it: "I hit only 247 in class B (for Quincy in the Three-I League in 1950)."

Yesterday's game was one of wasted opportunities by the Brooklyn Dodgers, who got their lead-off man on base in seven of the nine innings.

Tied In Fourth
Sturdivant issued passes to the first batter in each of the first three frames. But he followed them up with strikeouts each time, first catching pee Wee Reese with a called strike and then sending third strikes past a swinging Hodges and loser Carl Erskine.

The Yankees scored in the first inning on Joe Collins' one-out double to right and a single up the middle by Yogi Berra after Mantle had grounded out.

More In Fourth
A single by Billy Martin and a sacrifice fly by Gil McDougald broke it open in the bottom of the fourth for the Yankees. Mantle had walked on a 3-2 pitch to open the frame. And after Berra fanned Enos Slaughter, was passed intentionally. Martin junked the strategy, scoring Mantle and moving Slaughter to third for McDougald's fly to center.

Roebuck took over for Erskine to start the fifth and retired the side in order. In the sixth, Mantle led off with a tremendous shot into the center field bleachers on a 1-0 pitch to make it 4-1. It was his second of the series and seventh in a World Series.

One In Ninth
After Bauer's homer in the seventh, the Dodgers made one last stab in the ninth. Robinson opened with a double and, after Hodges struck out, Sandy Amoros walked on a 3-2 pitch and Carl Furillo walked on a 3-1 pitch to load the bases. Yankee Manager Casey Stengel visited the mound, said "that suits me" when Sturdivant told him how he planned to pitch and left the right-hander in the game.

Slaughter, playing deep in left field, couldn't come up fast enough to catch Campy's pop-fly

single and a run was home. With the bases still full, Sturdivant struck out Jackson and Gilliam filed out for the third out.

SOONERS WIN BIG; SPARTANS BEAT MICHIGAN

By DON WEISS
The Associated Press
College football is looking for a new king in the East, satisfied with the one it has in the Midwest, wary of a new power in the South, but for a national champion — well, those Oklahoma Sooners will do and do very well.

Bud Wilkinson's Sooners went their merry way Saturday, rolling up a major college record of 32 straight victories, to the surprise of exactly no one.

Kansas State was the victim and the only question was the score. It was 66-0 in spite of the fact that Wilkinson used five full teams.

Southern Cal To Tumble
If Oklahoma has a challenger for the top billing it assumed last year it will probably come from among Michigan State or Ohio State in the Midwest, Georgia Tech, Tennessee, Mississippi or unsung Vanderbilt in the South, and one of several Southwest Conference biggies, including exas Christian, Texas A&M and Baylor.

Southern California, probably the best in the Far West, can be expected to tumble in potential when Jon Arnett and others of its half-season players retire after USC's fifth game. The Trojans, with Arnett gaining 182 yards, whipped Wisconsin 13-6.

Michigan State, rated best in the Middle West and No. 2 in the Associated Press poll, and Ohio State, No. 4, used late rallies to defeat difficult opponents.

Prestige Of South
The Spartans were outplayed by strong Michigan for a half, then capitalized on a pass interception and a recovered fumble for a field goal and a touchdown and a 9-0 victory. Ohio State and Stanford had a scoring match before the Buckeyes pulled away to win 32-20. Georgia Tech, ranked third by the nation's experts, was idle but Tennessee, Ole Miss and Vandy upheld the prestige of the South. Tennessee, moving back into the national picture under Bowden Wyatt, thrashed Duke 33-20. Mississippi, sixth in the poll, defeated Houston 14-0.

Pitt Is Upset
Vanderbilt's power was unexpected and eye-popping in a 32-7 stomping of Alabama. In the Southwest, Texas Christian blasted Arkansas, 41-6. The Texas Aggies downed Texas Tech 40-7. Baylor defeated Maryland 14-0; and Rice spilled Louisiana State 23-14.

In the major upset of the week-end, defense-minded Pitt lost to California 14-0 and left the East looking to the service academies for a possible successor to the Panthers as best in the sector.

JUNIATA KEEPS WINNING STREAK

By THE ASSOCIATED PRESS
Juniata extended its four-year unbeaten streak to 25 games and six other Pennsylvania college football teams preserved unbeaten and untied records after the week-end's gridiron activity.

East Stroudsburg, Lafayette, Lock Haven, Haverford, Pennsylvania Military and Westminster are the other undefeated eleven. Juniata shut out Moravian College, 25-0, to extend the skein which now is in its fourth season.

Lafayette, rolling over Delaware 28-14, East Stroudsburg with a 13-0 victory over Shippensburg and PMC with a 28-6 win at Bridgeport, Conn., all won their third straight; Westminster over powered Grove City, 60-0; Lock Haven blanked California Teachers, 14-0, and Haverford opened its season with a 33-7 triumph over Wagner.

Breaks Losing Streak
Penn broke a 23-game losing streak by edging Dartmouth, 14-7 and Temple snapped a 10-game winless record with a 19-14 victory over Muhlenberg. Army gave Penn State its first defeat, 14-7; and Pitt took its initial loss to California, 14-0, on the west coast. West Chester Teachers, another previously unbeaten team, was dropped by New Haven (Conn.) Teachers, 33-0.

Gives Waterfowl Shooting Hours

The annual waterfowl shooting season will start Wednesday, Paul Glenn, local game protector, announced today.

Shooting hours will begin at 6:42 Wednesday morning and the hours on which shooting may begin each morning during October is one-half hour before sunrise with the exception of Oct. 27. On that date, the opening day for the regular small game season, the starting hour will be 10 a.m. (Daylight Saving Time) — the same hour as scheduled for the hunting of any wild birds or animals on that date.

The shooting hours for waterfowl Wednesday will begin at 6:42 a.m. and close at 6:36 p.m. The opening and closing hours for the remainder of the month are: October 11, 6:43 a.m. to 6:34 p.m.; 12, 6:44 a.m. to 6:33 p.m.; 13, 6:45 a.m. to 6:31 p.m.; 15, 6:47 to 6:28; 16, 6:48 to 6:27; 17, 6:49 to 6:25; 18, 6:50 to 6:24; 19, 6:51 to 6:22; 20, 6:52 to 6:21; 22, 6:55 to 6:18; 23, 6:56 to 6:17; 24, 6:57 to 6:15; 25, 6:58 to 6:14; 26, 6:59 to 6:13; 27, 10 to 11; 29 (when time reverts to Eastern Standard Time), 6:02 to 6:00; 30, 6:03 to 5:07; 31, 6:08 to 5:06.

DEMARCO AND GAVILAN ON WEEK'S CARD

By MURRAY ROSE
The Associated Press
Welterweights and middleweights, two of the most active divisions in boxing, dominate the week's program. Welter stars listed for action include two ex-champions, Kid Gavilan and Tony DeMarco, and Jolting Joe Miceli. The working middleweights include Spider Webb and Rory Calhoun, two young, ranking 180-pounders.

Miceli, a hard-hitting left hooker, meets Danny Giovannelli, an aggressive boxer-puncher, in the all-New York welterweight headline at New York's St. Nicholas Arena tonight. The 10-rounder will be telecast at a new time, 9:30 p.m., EST, over the DuMont network. Miceli has stopped 23 rivals in posting a 49-26-1 record. Giovannelli's record is 22-6-1, including 13 kayos.

Wednesday Feature
Spider Webb, seventh ranking middleweight contender from Chicago, guns for his 14th straight victory Wednesday night at the Chicago Stadium, ABC TV, radio, 9 p.m., EST. The 24-year-old ex-GI may have trouble making it for he takes on a toughie in Charlie Cotton. The Toledo boxer twice beat Joey Giardello this year and gave Rory Calhoun a struggle before losing a split decision. Webb, in his last fight on Aug. 29, handed Rory Calhoun his first defeat on a split verdict. Webb has a 16-1 record. Cotton's record is 41-11-1.

Calhoun Vs. Sullivan
Calhoun, No. 6 contender from White Plains, N.Y., hopes to start a new victory streak on Friday against England's Johnny Sullivan at the Cleveland Arena, NBC TV, radio, 9 p.m., EST. Calhoun, a 24-year-old son of an Atlanta minister, has a 23-1 record, including 12 knockouts. Sullivan, a pro since he was 15, has a 46-20-3 record, including 35 kayos.

DeMarco, a beller from Boston, and the crafty but fading Gavilan of Cuba, clash Saturday in a 10-rounder at the Boston Garden. This won't be televised. DeMarco, risks a shot at the winner of the return Car men Basilio-Johnny Saxton welterweight title fight. Although the veteran Cuban has lost much of his speed, he's a smart fighter and tough to beat.

Mount Loses Soccer Game To W. Md.

Mt. St. Mary's College lost its opening soccer game when it dropped a 5-1 decision to Western Maryland, Mason-Dixon Conference champs, Saturday afternoon at Emmitsburg.

Tanker, of the Terrers, scored in each of the first two frames while Harmon tallied in the third period and added two more in the final stanza.

Mike Baden booted a goal for the Mountaineers in the last period to avert a shutout.

The Mountaineers meet Washington College at Chestertown Wednesday and Georgetown at Washington, Friday.

Score by periods:
Western Maryland — 1 1 1 9-5
Mt. St. Mary's — 0 0 0 1-1

A little diced leftover ham and cooked rice plus diced celery cooked until soft in butter make a fine stuffing for green peppers. Cut off ends of peppers and scoop out seeds and membranes; parboil the peppers for about five minutes in lightly salted water, then stuff and top with buttered crumbs. Bake in a moderate oven, in a pan with about a half-luck of water in it, until the peppers are tender and the tops browned — about half an hour.

CARDINALS AND DETROIT LIONS ONLY UNBEATEN

By NICK ELLENA
The Associated Press
As the National Football League heads into its third weekend of action, only two undefeated teams remain — the Chicago Cardinals and the Detroit Lions, both pre-season underdogs.

The unbeaten Cardinals, who defeated the New York Giants 35-7 Sunday for victory No. 2, were given little chance of finishing higher than last year's fourth place in a tough, balanced Eastern Conference. The Lions, who dropped from Western Conference champs in 1954 to cellar-dwellers in 1955, also won their second straight, surprising Baltimore and the experts 31-14 Saturday night.

In other Sunday action, the Chicago Bears righted themselves on the arm of quarterback Ed Brown and the toe of George Blanda for a 37-21 victory over Green Bay, and San Francisco's 49ers stunned defending Western champion Los Angeles 33-30 on the brilliant kicking of veteran Gordie Soltau.

Browns, Eagles Win
League champion Cleveland and Philadelphia each won for the first time Saturday night. The Browns upended Pittsburgh 14-10 and the Eagles sloshed to a rain-washed 19-9 decision over Washington.

Quarterback Lamar McHan, running for two touchdowns and passing for two, upset the odds against New York and more than equalized three touchdowns by the Giants' Mel Triplett.

Brown, completing 11 of 15 tosses for 188 yards, flipped for two touchdowns and scored himself from 3 yards out with a recovered fumble. Blanda booted three field goals and added to his league record for extra points with four, giving him 150 without a miss.

Green Bay's Al Carmichael ran back the opening kickoff 106 yards for a score to break the league mark by a yard. The Bears have a 1-1 record. Green Bay is 0-2.

Second Loss For Redskins
Soltau kicked four field goals, from 37, 39, 15 and 25 yards, accounting for his team's 12-10 halftime lead. A last-minute Ram threat produced a touchdown on an 8-yard pass from Norm Van Brocklin to Elroy Hirsch, but time out at 56:49 fans went wild.

The Eagles came from behind in the last quarter, covering 63 yards in 10 plays, to hand the Redskins their second straight defeat. Quarterback Bobby Thomas sneaked over from the 1 for the score.

Browns Even Now
Detroit rode Bobby Layne's passes for a 21-7 halftime lead and then scored 10 points more in the last period to sink the Colts. Layne hit his first three passes for 60 yards, the last an 11-yard payoff toss to rookie Don McIlhenny. Bobby also connected with a 56-yarder, to Dorne Dibble for another score and tallied himself on a 7-yard run.

The Browns, (1-1), relying on a stout defense, held Pittsburgh (1-1) to 10 second-quarter points. Cleveland scored on a yard sneak by quarterback George Ratterman in the second period, and a 14-yard run by Ed "Big Mo" Modseleski in the final one.

Wet Grounds Halt Pen-Mar Title Game
Wet grounds prevented the Cashtown-Fairfield baseball game Sunday scheduled to be played at Cashtown to decide the playoff champion of the Pen-Mar Baseball League.

The game has been re-scheduled for next Sunday afternoon at Cashtown.

Each team has won one in the best-of-three series. Cashtown took the opener 2-1 while Fairfield won the second game 5-0.

"Shoeless Joe's" Discoverer Dies

LANCASTER, Pa. (AP)—Thomas C. (Tommy) Stouch, who was credited with discovering "Shoeless Joe" Jackson, one of baseball's outstanding figures, died at his home here yesterday.

Stouch, 85, played with Louisville in the National League about the turn of the century. He broke into organized baseball in 1892 with Charleston of the South Atlantic League and before retiring from the game in 1919 played and managed many teams in the South.

As manager of Greenville, S.C., he supposedly lured Jackson from a mill job with a \$75-a-month contract. Jackson went on to become one of baseball's greatest hitters until he was banned from the game after the Chicago Black Sox scandal following the 1919 World Series.

DUGOUTS ARE RUMOR-FILLED DURING SERIES

By JOE REICHLER
NEW YORK (AP)—World Series whispers:

The Baltimore Orioles are shopping for a new general manager and you'd be surprised to know with whom they're talking. He's currently with another major league club, in the same capacity. Orioles officials haven't taken too kindly to Paul Richards as a front office man although they respect his proven ability as a field manager.

Owner Phil Wrigley Jr. of the Chicago Cubs is readying a big announcement concerning a whole shakeup from the front office to the manager. Scuttlbutt has it that John Holland, president of the Los Angeles club will trade places with Wild Matthews, the present general manager of the Cubs. Also Bob Scheffing, who led Los Angeles to the Pacific Coast League pennant by a huge 16 - game margin, will change places with Cub manager Stan Hack. . . . Jim Gallagher is expected to escape the ax. . . .

Last For Pinelli
Babe Pinelli, National League's senior umpire, has told friends he will not change his mind about his decision to retire after this World Series. Pinelli, who joined the National League as an umpire in 1935, after previous big league service with Cincinnati as a third baseman, will be 61 years old on Oct. 18. He currently is umpiring his sixth World Series. . . .

Enos Slaughter has been promised a job with the Kansas City Athletics when his playing days are over. Owner Arnold Johnson sold the popular veteran to the Yankees just to give him an opportunity to play in another World Series. Don't be surprised to see Slaughter back with the A's in 1957. . . .

Trade talk has been going on behind closed doors between Pittsburgh and Milwaukee involving outfielder Frank Thomas of the Pirates and catcher Del Crandall of the Braves. They're still far apart. . . .

May Trade Ennis
If Ted Kluszewski is traded, which is most likely, the new Cincinnati first baseman will be outfielder Frank Robinson, almost a certainty to be voted National League rookie of the year. . . .

Del Ennis, hard-hitting outfielder of the Philadelphia Phillies is on the trading block. Granny Hamner, the team's star shortstop for the past 10 years, also will be offered for trade. If he remains, he will be tried out as a pitcher.

Manager Mayo Smith plans to shift Ted Kazanski to shortstop next year and open with the popular Solly Hemus at second. Hemus, after a slow start, impressed everyone with his steady hitting and aggressiveness style of play during the last two months of the season. . . .

Here's something to remember. Bob Feller, perhaps the greatest pitcher of the past two decades, may wind up with the New York Yankees. Sounds fantastic but it could happen.

BENDERSVILLE, LITTLESTOWN PLAY 3-3 TIE

Bendersville and Littlestown battled to a 3-3 tie in 14 innings Sunday in the second game of the best-of-three series to decide the playoff champion of the South Penn Baseball League, darkness finally halting the game which was played on the Littlestown field before a slim crowd.

The game will be replayed next Sunday at Littlestown. A week ago Littlestown won the opener 6-5.

Three unearned runs in the last of the seventh inning enabled Littlestown to overcome a 3-0 deficit and thereafter the teams were scoreless as Dick Pitzer, Bendersville hurler, and his opponent, Dick Barnes, pitched out of several tight spots.

Bendersville picked up a run in the third inning when, with the bases loaded and one out, Bob Decker sent a runner over on a fielder's choice. In the fourth the upper countmen tallied again when M. Kime singled with two runners aboard and two out.

Errors Costly
An overthrow at first base with two out in the seventh gave Bendersville a runner after which Decker singled for the third tally.

An error, double by Hankey, walk, an out, another walk and an error gave Littlestown three runs in the bottom of the seventh to knot the score.

Pitzer fanned 16, walked six and gave up 13 safeties. Barnes struck out 14, walked eight, and yielded eight hits.

Smith led the Littlestown attack with three singles. Decker and D. Kime each rapped two for Bendersville.

MAN IS KILLED OVER SERIES

NEW YORK (AP)—An off-duty city detective was shot and killed outside a tavern today after an argument with another man over the World Series.

Dead was detective William F. Christman, 38, father of five children.

Police said they seized Robert Thompson, 25, shortly after the shooting.

Police gave this account of the shooting:
Christman dropped in at Carmichael's Bar and Grill near his home after he went off duty at midnight. The detective, a New York Yankee fan, was talking to

Hailey, Stravolo Come Off Bench To Lead Bullets To 20-6 Victory Over Albright

Gettysburg College's football team, sparked by the fine running of Don Hailey, reserve junior halfback who tallied two touchdowns, rallied to down sharp-passing Albright, 20-6, before 3,500 who braved showers to watch a feature of Father's Weekend here Saturday afternoon. It was Gettysburg's first win in three starts.

The Bullets seemed helpless in their attempt to stop the passing of Frank Sudock, a sophomore quarterback who hadn't shown much proficiency in piskin tossing in two earlier games, although he passed for 238 yards. However, Gettysburg threw up such a rugged defense against the Albright ground game that the Lions were minus 37 yards in that department.

Albright, who had failed to score against both Bucknell in its opener and Muhlenberg a week later, started a drive from its own 38 late in the first quarter that spluttered out on the Gettysburg 19. Three passes featured the drive which was finally halted when Earl Yost, a Bullet defensive standout, intercepted a Sudock aerial on the Gettysburg 14.

Early in the second quarter, Frank Capitan pointed to Tom Pollock on the Albright 45, and Gettysburg's Bill Ward downed him in his tracks.

Lions' Passes Click
In four plays, all passes, the Lions moved 87 yards for a score. With Sudock doing all the tossing, Pollock, Kopp and Flynn took turns catching and moved the ball to the Gettysburg 15. On the next play, Sudock tossed to Jack Kopp who had drifted to the right behind the Gettysburg line and Kopp dashed the remaining distance. Rightmire's placement attempt was wide to the right.

Coach John Yoviesin pulled his starting quarterback, Chike Heverly, at this point and substituted his number two quarterback, Sophomore Nell Hickoff.

The Bullets didn't meet with any more success under Hickoff's direction. Neither team could make any drive at all until Gettysburg gained possession on the Albright 40 when Whitey Rightmire, back to punt on a fourth down and three, got a bad pass from center and was swarmed under by the entire Gettysburg forward wall. With three minutes of play remaining, Coach Yoviesin substituted Heverly. Capitan hit center for two, but Heverly was trapped on a pass attempt and lost seven.

Stravolo Connects
Gettysburg called time with 1:13 remaining and Dick Stravolo, sophomore from Chambersburg, was substituted for Heverly. On the first play screen pass to Capitan was good for 20 and a first down on the Albright 25. After two incomplete passes, Stravolo passed to Hailey in the right flat and Hailey dashed through and around Albright defenders until he crossed the final chalk mark with only 20 seconds remaining in the half. Harry Binger placekicked his extra point for Gettysburg perfectly with Str

Fire Prevention Week Is Being Observed Throughout Nation This Week

Report 78 Large Industrial Fires In U.S., Canada In 1955

There were 78 large loss (over \$250,000 each) industrial fires in the United States and Canada during 1955 that took the lives of 22 persons, injured 181 and added up to \$76,578,000 in waste dollars. The loss is more than twice the \$36,144,500 caused by the 75 industrial large loss fires in 1954.

The annual study of such fires by the National Fire Protection Association tells a tragic — though interesting — story.

It emphasizes the fact that a majority of the "big" fires were small starting fires that grew out of control because there were no means of limiting horizontal fire spread.

And in most of the multi-storied buildings damaged or destroyed in last year's "big" fires, unprotected vertical openings aided fire spread; most common among these were open elevator shafts and stairways not enclosed.

Aggravate Damage

Here are some additional factors responsible for the extensive fire damage: delay in giving the fire alarm; the spread of fire beyond the building of origin because of combustible construction without adequate separation; poorly constructed party walls; interconnecting passageways and yard storage between buildings.

Building contents influenced the spread of more than three-quarters of last year's large loss fires. Flammable liquids, escaping gas and dust on structural members — the latter causing dust explosions

—also helped swell the losses. There was no automatic sprinkler protection in most of the 76 buildings where the big industrial fires occurred. Sprinklers were not a factor in fires caused by explosion.

The losses at 27 fires were larger than they should have been because of failure to provide for plant fire brigades — this in contrast to 11 other fires at which a well-equipped, well-trained fire fighting unit played a major part in preventing still more extensive damage.

Arrange Escape From Home Fires

You'd scream blue murder if the school your child attends failed to hold fire drills. But, have you planned how to leave — and live — if fire starts in your own home?

Plan escape routes from all parts of the house you regularly use — especially bedrooms, advises the National Fire Protection Association.

Windows, porch roofs, ladders, back stairs and outside fire escapes, says the association, are some of the escape means that you must be ready to use when normal exits are blocked.

Arrange for practical ways to rescue small children, aged and sick persons.

Once out, keep track of the children — make certain they do not re-enter the house.

HOW MUCH DOES A VOLUNTEER FIREMAN MEAN TO YOU?

DO YOU THINK?

- He's really a fire bug?
- It's really all he has to do?
- He gets a thrill seeing property go up in smoke?
- He's a menace to the quiet and serenity of our town?

OR DO YOU THINK?

- The VOLUNTEER FIREMEN are a potent and established force of necessity?
- The VOLUNTEER FIREMEN are a group giving their undivided attention to those in need of their help?
- The VOLUNTEER FIREMEN deserve cleared streets at the sound of an alarm?
- The VOLUNTEER FIREMEN might save your home or business some day just because he was given a sporting chance to get to the scene of the fire at the right time?

LET'S ALL COOPERATE IN THE FUTURE

A salaried full-time fireman is always ready to go... but a volunteer may be anywhere... please give him the road.

School Fire Drills Should Be Varied

Fire drills are held regularly in schools. The usual exits are utilized. But what provisions are made for the possibility of one exit — perhaps two — being blocked by fire?

Here's what the Safety to Life Committee of the National Fire Protection Association recommends:

It is good practice in conducting school fire drills frequently to assume that a given stairway or doorway is not usable because of fire or smoke and the children must leave the building by some other route.

A large sign may be used to indicate that fire blocks an exit. Of course there could be no advance warning of where the sign

would be placed. Thus teachers and pupils gain a practical opportunity to learn different escape routes before the fire gong sounds for the real thing.

HIGHER "FIRE" EDUCATION
Most common cause of fires in dormitories, fraternities, and sororities is carelessness with matches and cigarettes says the National Fire Protection Association. It's responsible for one out of every four fires in these types of buildings, which, notes the fire safety group, house students of higher education who apparently have yet to learn common sense in fire prevention.

The first President to proclaim a full week in observance of fire prevention was Warren G. Harding in 1922.

FIRES BEGIN BY FREAK MISHAPS; SAME HAZARDS

Fire is seldom a laughing matter. However, it may give rise to an occasional smile as in the case of these recent fire-connected incidents from the files of the National Fire Protection Association.

A swarm of bees invaded an aircraft battery in Milton, Mass. The smudge fire set to drive the bees off flared and spread in the direction of piles of ammunition stored nearby. The men were busy as bees themselves moving 700 rounds of ammunition to safety while one member summoned the fire department. The bees, incidentally, retired to a nearby sycamore tree.

What Caused Fires?

There are more than 750,000 building fires in the United States each year says the National Fire Protection Association. Here are some of the main causes and number of building fires each was responsible for according to the association's just-published estimates for 1955:

Smoking and matches	122,000
Defective or overheated heating and cooking equipment	100,500
Electrical	99,900
Rubbish, ignition unknown	59,400
Lightning	44,800
Flammable liquids	45,500
Chimneys, flues	37,500
Children and matches	29,900
Open lights, flames, sparks	22,200

A man in New Mexico pulled a modern version of the mountain coming to Mohammed. He spotted a fire in the carport and utility room of a neighboring farm house. He raced to his bulldozer, drove it to the burning structure, hitched up, jerked the carport completely

free and saved the home. Little Miss Muffet liked curds and whey. What's whey? It's the watery liquid left over when milk is made into cheese. And firemen in Menominee, Mich., found it most helpful to have around. When their water supply ran out while

fighting a cheese factory fire they promptly connected their pumper to a tank full of whey and extinguished the blaze.

Here's another Fire Prevention Week "don't": stand on top of manholes while lighting cigarettes. A man in Tulsa, Okla., did and was blown 10 feet in the air. Apparently an accumulation of gas around the manhole was set off when he lit the match. He was not seriously hurt.

The secrets of a woman's purse were revealed in detail when it caught fire in a plane just before take off. Contents: several handkerchiefs, sheaves of tissues, can of hair spray, six packages of matches, baby's diapers, baby's bottles, automatic combination cigarette case and lighter, and \$350 in cash. The lighter, which opened and lit at the touch of a button, caused the blaze. The purse was thrown from the plane and many of the articles including the money was recovered later, scorched but usable.

ADVERTISE IN THE TIMES

Most Home Fires Start Downstairs

Where will fire start? Anywhere. Where do homes fires start? In the kitchen and living room mostly. These two rooms account for 53 per cent of the origins of fires in homes, it is reported by the National Fire Protection Association. Bedrooms account for 12 per cent of fire origins, followed by

well-being? Just this: When we build new schools let's at the same time have a program to protect them with a reliable and effective means of discovering and extinguishing fires promptly.

basements, where 10 per cent of dwelling fires start. Concealed wall, ceiling and floor spaces are the sites of 5 per cent, attics follow with 4 per cent, halls and stairways with 3 per cent, and closets and porches are tied with 2½ per cent. Less than 2 per cent of the fires start in utility rooms, dining rooms, bathrooms and attached garages.

Don't gamble with fire — the percentages are always against you! Of the nearly 1 million firemen in this country 900,000 are volunteers estimates the National Fire Protection Association.

SCHOOL SPACE SHORTAGE IS CAUSE OF FIRES

Everybody agrees that the shortage of classrooms is a national problem. President Eisenhower called the White House Conference on Education to cope with the situation on the national level. Yet, in the midst of classroom famine the National Fire Protection Association estimates that there were 2,700 school fires last year causing a \$12,900,000 loss.

School authorities are already plagued by bulging school budgets and the existing problem of more space is further complicated.

Could these disastrous fires have been prevented? Yes, says the NFPA.

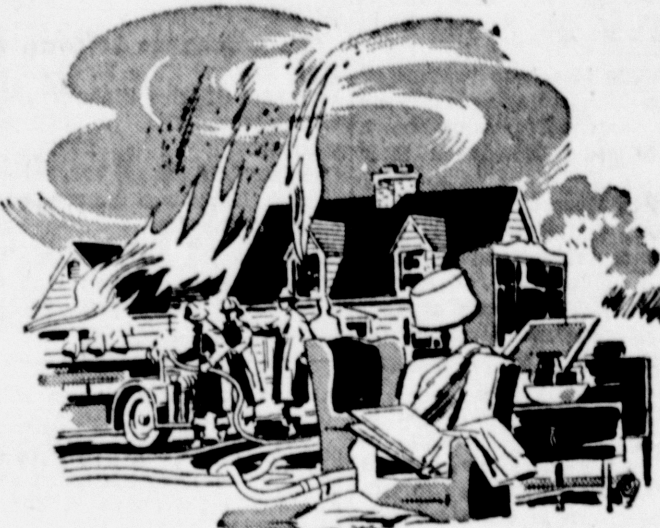

Consider: Most of these schools were unoccupied when fire was discovered. Few of the buildings had watchman protection, or a central station supervised automatic fire detection system or an automatic sprinkler system.

Consider, also, the following: Many of these school buildings had an automatic sprinkler system, or a central station supervised automatic fire detection system or watchman protection.

Sound fire protection practices call for firestopping of walls, protecting vertical openings, enclosing stairwells.

Supreme Court Is Divided On Photographers' Decision

PITTSBURGH (AP) — The Pennsylvania Supreme Court confirmed the conviction of seven photographers on contempt charges after they had taken pictures at a court trial.

The court sustained the fines levied against the defendants but erased the prison sentences.

The pictures were taken during the murder trial of John Wesley Wable.

Justice Arnold said: "The court below, as are all courts, was charged with a duty to protect the right of privacy of the prisoner. It cannot be doubted that the prisoner was powerless to do so by any means within his control; and in such case the court has an inherent duty to use all reasonable means to safeguard that right."

"Public Figure" — "It is true that, in a sense, the prisoner has been set apart from the general public and has become a 'public figure' yet he is the involuntary subject of court restraint and entitled to the safeguard of his individual right of privacy, just as the court is charged with securing to him his right of a fair trial and other rights too numerous to mention. In this case, the defendant was found guilty of murder in the first degree by verdict of the jury, but at the same time he was a ward of the court who must be protected against the invasion of his rights by the press as well as the public."

"All reasonable rules looking to the establishment of such safeguards must be sustained. It needs no citation of cases to prove that many innocent persons have been found guilty and sentenced upon criminal charges, and later released when their freedom from guilt has been established."

Press Freedom Not Involved — "Whether or not freedom of the press is here involved is immaterial since such freedom is subject to reasonable rules seeking maintenance of the court's dignity and the orderly administration of justice," the high court decision said.

"The fact that the contempt in this case did not occur in the court-

room, but in the precincts of the court, does not make the (photo ban) rule unreasonable."

Justice Bell said the lower court properly can restrict photography within the courtroom and at the courtroom doors, but he held that a prisoner en route to court should be permitted to be photographed. He said:

"I do not agree with the majority's opinion on the subject of privacy nor its prohibiting the taking of pictures of a prisoner who, while in custody, is on his way to or from the court but not near the courtroom."

Privacy Is Limited — "It seems to me that a person's right of privacy is limited and in some instances lost when he is charged with or convicted of crime."

"In such a case he becomes a public figure who, with certain limitations, as for example when he is in the courtroom or in the county jail is subject to being photographed in a public place, on a proper occasion and for a proper purpose."

"I believe that in such a case the public interest is (subject as aforesaid) paramount to the private right or interest."

Justice Bell concluded: "I would hold that the part of rule 608A (1) which prohibits the photographing of a prisoner or inmate of the county jail on his way to or from a session of court, but not at the entrance to the courtroom (in this case three floors away) is invalid; (2) The conviction of one of these appellants thereunder should be reversed."

Five-Day Sentences — Bell did not specify at this point whose conviction he felt should be reversed.

The seven convicted were William Block, publisher of the Post-Gazette; Andrew Bernhard, editor of the Post-Gazette; Vince Johnson, reporter; and Don Bindyke and James Klingensmith, both photographers and all employees of the Post-Gazette. Also convicted were David W. Mack, publisher of the Greensburg Tribune-Review, and Robert Purdy, a freelance photographer.

Each was sentenced by the West-

Order End To False Insurance Advertising

WASHINGTON (AP) — A hearing examiner for the Federal Trade Commission has recommended that the Educators Mutual Insurance Co., Lancaster, Pa., be ordered not to use false advertising in selling accident and health insurance.

The recommendation by examiner Frank Hier yesterday must be acted on by the FTC.

An FTC announcement said Hier found the Lancaster firm had advertised broader benefits than its policies covered and that this was "false, misleading and deceptive, in violation of the FTC act."

The company contended that the been discontinued. But Hier said an order was needed to make sure such advertising was not renewed.

moreland County Court to serve a five-day jail term. Mack, Block and Bernhard each was fined \$500. The others were fined \$100 each. Dissenting entirely from the majority view, Justice Musmanno said:

"Freedom of the press means freedom to gather news, write it, publish it, and circulate it. When any one of these integral operations is interfered with, freedom of the press becomes a river without water. Gathering of news embraces photographing of the news, printing of the photographs and reproduction of the photographs in the finished newspaper. To prohibit the taking of photographs is no less an infringement of freedom of the press than to prohibit the presence of a news reporter."

"The action photo has become as much a part of the newspaper of today as the weather reports. To deny the newspaper reader pictures on the personalities and events of the day is to tear away one-half of his paper. Pictures have become wedded to the written word in the dissemination of information in every field of human endeavor."

The justice, who since his term has become known throughout the commonwealth for his vigorous disagreements with the court majority on many cases, concluded his opinion on this one: "I dissent to the ultimate."

WASHINGTON (AP) — Frank Galati, 60, a Shenandoah, Pa., building contractor, died in Washington Sanitarium Saturday, two days after being stricken with a heart attack while on a business trip here. Galati's brother Ralph 57, died in the sanitarium last month—also after suffering an attack while here on business for their firm.

ADLAI BOOSTS DOLLAR DRIVE BY TELEPHONE

By WARREN ROGERS JR. CHICAGO (AP) — Adlai E. Stevenson boosts the "dollars and Democrats" drive today with scheduled long-distance telephone pep talks to party fund-raisers in the 48 states and District of Columbia.

It was the second "first" disclosed this week by Stevenson aides.

The Democratic presidential candidate, meanwhile, rested at his suburban Libertyville, Ill., farm before taking his barnstorming troupe to the West Coast tomorrow.

To "Saturate" Areas — Stevenson announced in New York yesterday that four top-flight young Democrats — two governors and two senators — were joining him this week in California.

The unique idea is to "saturate" the areas with stumping talks by vigorous campaigners well known enough to draw crowds on their own.

Governors Robert B. Meyner of New Jersey and George M. Leader of Pennsylvania and Senators Hubert H. Humphrey of Minnesota and Albert M. Gore of Tennessee will meet Stevenson Thursday night at a rally in Oakland.

To Use Planes — On Friday, while Stevenson is addressing a midday rally at Fresno's courthouse, his helpers will fan out in light planes to rallyes of their own in the area. Friday afternoon they plan to link with him again at Long Beach. They split up once more, then rendezvous Friday night at a San Diego rally.

Stevenson aides said he set up the long-distance conference calls to whip up enthusiasm for "Dollars for Democrats Day," which is Oct. 16. Party workers in every precinct are going to rally forth then, ringing doorbells and asking contributions of anything from one to five dollars.

In unscheduled remarks at New York's 20th annual Pulaski Day parade yesterday, the Democratic presidential nominee urged Americans to reject "complacency and indifference until lands and liberties are restored to millions enslaved throughout the world."

Jimmy Durante, 63, Engaged To Actress

HOLLYWOOD (AP) — Comedian Jimmy Durante, 63, and his fiancée have returned to Hollywood, a little astonished at all the fuss.

News of the comic's engagement to Margie Little, 35, an actress from Plainfield, N.J., was disclosed Saturday night at the opening of a tennis club in Phoenix, Ariz.

"Why, we've been going together for 10 or 11 years," the Schnozzola said upon returning here last night.

He said they plan to be married "sometime next year."

Durante was married in 1916 to the former Jeanne Olsen. She died in 1943.

Two Missing Men Presumed Drowned

PORT NORRIS, N. J. (AP) — Two men missing since their flat-bottomed boat capsized in Delaware Bay Saturday are presumed drowned.

The missing are Leonard Anderson, 32, of R. 2, Coatesville, Pa., and Charles Zickgraf, 42, of Wilmington, Del. A companion with them on a fishing trip, Charles Whitehead, 34, of New Castle, Del., was rescued as he clung to the boat.

State police said the two missing men had grabbed seat cushions from the overturned craft and drifted away.

tain, Stevenson said:

"We reaffirm our allegiance and our faith in the cause of free Poland and the restoration of the rights and privileges of her people."

Last Saturday, during a tour of industrial New England where textile industry losses, mergers and small business failures have created problems, Stevenson called for the defeat of the Eisenhower administration because it offers "too little presidential leadership."

"Left alone," he said in a speech at Springfield, Mass., Republican administrations "will lead us into a new age of industrial feudalism, where small industrial enterprise disappears and every one works for the giant corporations."

HARRISBURG (AP) — The State Highways Department Friday reported that 1,414 persons were killed in traffic accidents the first eight months of 1956. The total is 60 more than during the same period last year.

PHOTOGRAPHERS LOSE APPEAL TO SUPREME COURT

PITTSBURGH (AP) — The Pennsylvania Supreme Court affirmed Friday the conviction of seven Pittsburgh and Greensburg newspapermen on contempt of court charges for taking news pictures in the Westmoreland County Courthouse.

The Supreme Court fixed the penalty at fines only, erasing prison sentences ordered in the original verdict by the Westmoreland County Court.

"The able opinion of President Judge Richard D. Laird, writing for the court below, amply justifies the sustaining of these judgments" — the contempt of court convention—said Justice John C. Arnold in the majority opinion of the Supreme Court.

Split Decision — The state's highest court split on the decision, with Justice John C. Bell filing a separate opinion concurring in part and dissenting in part. Justice Michael A. Musmanno filed a dissenting opinion.

That apparently left four justices—Chief Justice Horace Stern, Justices Charles A. Jones, T. McKen Chidsey and Arnold in the majority group.

Arnold's opinion added:

"However, since these are 'test' cases we prefer to modify the sentences by striking therefrom the provision for imprisonment, leaving the sentence intact as to the imposition of fines and costs with the determination that the rules, insofar as involved here, are reasonable and not an abuse of the court's discretion. The judgment and sentences as so modified are affirmed."

crushed between two trucks at a steel plant in Butler Saturday and Samuel Walters, 48, of Shamokin, was crushed when his bulldozer overturned on a culm bank near Shamokin Saturday in the other motor vehicle accidents.

HAWTHORNE, Calif. (AP) — Northrup Aircraft, Inc., has proposed a merger with Vertol Aircraft Corp., Morion, Pa., and exploratory talks have been initiated.

Northrup President Whitley C. Collins said in announcing the proposal Thursday that no commitments had been made by either side.

He said Vertol, the world's largest independent manufacturer of helicopters, "is on the threshold of further growth and would be in better position to accelerate its progress through some form of consolidation with Northrup."

Northrup manufactures aircraft, guided missiles, target drones and ordnance equipment.

Collins said the proposal is based on an exchange of two shares of Northrup stock for each share of Vertol stock outstanding after a 15 per cent stock dividend declared Oct. 3 by Vertol.

Don R. Berlin, Vertol president, said in Morion, that stockholders would have the final say should a tentative agreement be reached.

Vertol, formerly the Piasecki Helicopter Corp., employs some 5,000 workers.

FARM SHOW THEME

HARRISBURG (AP) — The theme of the 1957 State Farm Show will be "Pennsylvania Builds For Tomorrow."

The farm show committee met Thursday and chose the theme for the exposition which will be held in Harrisburg Jan. 14-18.

William L. Henning, agriculture secretary, told the committee composed of 52 representatives of farm organizations that a record \$58.55 is being offered in premiums for winning exhibits in the coming show.

PA. ACCIDENTS TAKE 14 LIVES OVER WEEKEND

By THE ASSOCIATED PRESS

Highway accidents took 14 lives in Pennsylvania during the weekend. Three persons lost their lives in other types of accidents, two of them involving motor vehicles.

Two highway crashes in the western part of the state took a total of four lives.

Two St. Francis College students, Clarence Getty, 20, of Johnstown, and George Woods, 20, of Wilmington, Del., were killed yesterday on route 220 near Altoona when their car skidded into a bridge. Two other students riding in the car were hospitalized.

\$10,000,000 SUIT AGAINST EXECES; STEAL BUSINESS

CAMDEN, N.J. (AP) — A 10 million dollar damage suit has been filed by a Gloucester City, N. J., lumber company charging nine former executives with diverting its business to another firm they formed.

Several of the defendants previously managed Pennsylvania operations of the firm, the J. R. Quigley Company.

The suit was filed in New Jersey Superior Court Thursday.

It alleges that the former company officials, while still employed by Quigley, conspired to appropriate and divert the business of the firm.

Cancelled Contracts

The company, now headed by James P. Stewart, charges that the officials including the firm's former president, vice president and several branch managers cancelled Quigley contracts, put out "false stories" about the firm and proposed the new company finish the job for the customer.

The suit named the new company, the Middle Atlantic Millwork Company of Westville, N.J., as a defendant also.

Alleged Former Officers

Cited in the complaint as former Quigley officers are: William C. A. Costello Sr., Woodstown, N.J., president; his son, William Jr., Gloucester City, executive vice president; R. Edward Costello, Pitman, N.J., manager of a Philadelphia branch plant; Louis H. Bozarth, Schuylkill Haven, Pa., manager of branches in Harrisburg and Cressona, Pa.; James B. McKenzie Jr., Lancaster, Pa., manager of the Lancaster branch; Frank J. Parry, Cressona, Pa., assistant manager at Cressona.

Joseph Bozart, Harrisburg, assistant Harrisburg manager; Robert Whitmeyer, Penn Valley, Pa., sales manager and plywood buyer from the Gloucester City headquarters; and Lester J. O'Brien, Haddonfield, N.J., lumber department manager at Gloucester City.

LEGAL NOTICES

INVITATION TO BIDDERS
The Adams County Commissioners, acting as the Executive and Administrative Officers of the Adams County Institution District, hereby invite sealed bids to furnish and deliver to the six thousand (6,000) gallon tank at the Adams County Home in trailer lots of forty-five hundred (4,500) gallons or less. Number four (4) fuel oil with the following specifications:

Gravity API 23-25
Carbon Residue 2.5%
Viscosity, centistokes/100° F 18
Pour Point 15° F
Temperature for pumping 10° F
Sulphur content 0.5% maximum
Sediment and Water 0.5% maximum
Temperature for Atomizing 25° F
Deliveries to start about December 1, 1956, and continue as needed throughout the period ending January 1, 1957.

Place your bid on a per gallon basis as of October 31, 1956. The price per gallon for each trailer lot of such fuel oil will be adjusted as of the time of delivery of each trailer lot so as to maintain the same differential, if any, between your bid and the price per gallon in the Baltimore Spot Market as recorded in Platts Oilgram as of the time of the delivery of each trailer lot, as existed between your bid price per gallon and the October 31, 1956, price per gallon in the Baltimore Spot Market, as recorded in Platts Oilgram.

All bids must be in the office of the County Commissioners, Court House, Gettysburg, not later than 10:00 a.m., October 31, 1956, when they will be publicly opened and contract awarded or all bids rejected.

The successful bidder will have to post bond with sufficient surety for fifteen hundred (\$1,500) dollars guaranteeing performance of his contract.

The County Commissioners reserve the right to reject any or all bids.

For further information, contact Clarence C. Smith, Chief Clerk to the County Commissioners, Court House, Gettysburg, Pennsylvania.

ADAMS COUNTY COMMISSIONERS

INVITATION TO BIDDERS
The Adams County Commissioners hereby invite sealed bids to furnish and deliver to the two (2) 8,000-gallon tanks at the Court House in trailer lots of 4,000 gallons or less number two (2) fuel oil with the following specifications:

A distillate oil having a minimum flash point of 110° F. and a maximum of 190° F.
Maximum water sediment 0.05
Distillation temperature 10% residuum, 440° F. maximum to 600° F.
Maximum at 90 per cent point.

Deliveries to start about December 1, 1956, and to continue as needed throughout the period ending January 1, 1957.

Place your bid on a per gallon basis as of October 31, 1956. The price per gallon for each trailer lot of such fuel oil will be adjusted as of the time of delivery of each trailer lot so as to maintain the same differential, if any, between your bid and the price per gallon in the Baltimore Spot Market as recorded in Platts Oilgram as of the time of the delivery of each trailer lot, as existed between your bid price per gallon and the October 31, 1956, price per gallon in the Baltimore Spot Market, as recorded in Platts Oilgram.

All bids must be in the office of the County Commissioners, Court House, Gettysburg, not later than October 31, 1956, 10:00 o'clock a.m., when they will be publicly opened and contract awarded or all bids rejected.

The successful bidder will have to post a bond with sufficient surety for (\$1,000.00) one thousand dollars guaranteeing performance of his contract.

The County Commissioners reserve the right to reject any or all bids.

For further information, contact Clarence C. Smith, Chief Clerk to the County Commissioners, Court House, Gettysburg, Pennsylvania.

Urge Schools To Teach Communism

READING, Pa. (AP)—The executive committee of the Pennsylvania American Legion has passed a resolution urging that communism be taught in the state schools.

The action was taken at a committee meeting here Saturday. It calls for the Pennsylvania Department of Public Instruction to alert teachers in high schools and colleges to what the committee said was the need for instructing students to distinguish between Communist and Democratic ideologies, necessary so the students would know how and when to guard themselves and the country against Communist infiltration.

Child Fire Safety Special Week Aim

Fire prevention activities aimed at safeguarding youngsters are bound to hit the bull's eye. Children are fire's number one victim. And yet it is such a simple matter not only to teach them fire safe habits, but also to provide for their safety from someone else's negligence about fire. That's the idea behind the 1956 Fire Prevention Week poster of the National Fire Protection Association. This year Fire Prevention Week has been proclaimed by President Eisenhower for October 7-13. The national Fire Prevention Week slogan: "Don't Give Fire A Place to Start."

U. S. Fire Losses Are Heavy In 1955

The United States in 1955 experienced its worst "fire" year in history, reports the National Fire Protection Association. Fire last year cost the country \$1,140,768,000 in direct loss, the international fire safety group estimated. This was nearly \$120,000,000 more than the previous record high in 1953. A very large increase in the number of building fires plus substantially increased industrial, forest and aircraft fire losses have contributed to the huge overall increase, according to the NFPA. This latest sharp rise in fire losses continues the upward trend of recent years as shown in the graph above. Apparently 1954 was only a temporary deflection of that trend.

Fire is bad business anytime and for everybody... but it's particularly bad on the farm where a family's livelihood and home are both at stake. When the barn above was totally destroyed by fire last year, the direct dollar loss to this Midwestern farm family was estimated to be \$50,000. The real loss in terms of crippled earning power and one family's well-being can never be estimated. Total direct cost of fires to American farmers last year was estimated by the United States Department of Agriculture to be more than \$150,000,000. The USDA and the National Fire Protection Association are co-sponsors of Fire Prevention Week, October 7-13.

Here's a fable for Fire Prevention Week:

FITCHBURG, Mass. — Fire snuffed out the lives of 11,475 men, women and children here and severely burned or disfigured for life 30,000 others. Total population is 43,000.

No, it didn't happen in Fitchburg, Mass., or in any other city or town in the United States—not at once. But it did happen in these United States last year — in cities, towns, villages and hamlets from the Atlantic to the Pacific, from the Rio Grande to the Canadian border; in a 12-month period.

The figures are correct—11,475 dead by fires, 30,000 more injured; 31 dead by fires every day. These are National Fire Protection Association estimates.

Speculate on the possibility of a city of 43,000 being swept by fire,

No Worries With Able Baby-Sitter

Mother and dad are going out to dinner, then to the theater. They haven't a worry in the world. The children are with a baby-sitter who knows her business.

Does the baby-sitter know the location of the children's rooms and how to get out of the house in case of fire? Yes.

Does she know how to call the fire department? Yes.

Does she know how to reach the parents, doctors, police, neighbors? Yes.

Is she physically and mentally capable of getting the children safely out of the house in case of fire? Yes.

Mother and dad are smart; that's why they haven't a worry in the world on their night out. Can you say the same for yourself — and your baby-sitter?

This is Fire Prevention Week and its national sponsor, the National Fire Protection Association, hopes you can.

Nearly one out of every six home fires is caused by someone's carelessness with matches and cigarettes says the National Fire Protection Association. suffering 12,000 deaths, 30,000 injuries. A horrible catastrophe. Is it any worse in the 12,000 need, less deaths are spread over 365 days? Do 31 fatalities per day by fire lessen the shock and the waste? One death by fire is one too many.
